Subject: Quarterly Audit  
State of Arizona Emergency Program Accounts  
For the First Quarter FY18 Ending September 30, 2017

Dear Members, State of Arizona Emergency Council

This report covers the results of our internal review done on the State Emergency Programs for the First quarter FY18 ending October 30, 2017, in accordance with A.R.S. § 35-192. We reviewed emergency programs with net expenditures of (\$2,134,003.04) and \$9,260,983.12 in remaining budget balances.

We reviewed liability and expenditure documents on file in the Division of Emergency Management for eligibility and summarized the transactions for all open programs. The beginning balances, appropriations, reversions, expenditures, and ending balances were reconciled to the Arizona Financial Information System. Our review was made in accordance with generally accepted government auditing standards, consistent with the scope of work discussed above. Final financial and compliance audits will be conducted on these emergency programs when the Governor issues proclamations terminating the respective states of emergency.

Please refer to Schedule A for a program summary.

Sincerely,

Walter Owens  
Program Compliance Audit Supervisor
