## **5.0 VOYAGER FLEET FUEL CARD USAGE**

### **5.1 Fuel**

One Voyager fleet fuel card ("Card") shall be issued and assigned to each DEMA owned and ADOA leased vehicle. ADOA leased and extended ADOA Taxi vehicles are delivered to DEMA with a Card assigned by ADOA. Cards may be requested for long-term leased or rental vehicles from vendors on State contract. Employees and volunteers

are prohibited from using the Cards for their privately owned vehicles for any reason to include conducting agency business.

Whenever available and practical, employees and volunteers shall use fueling stations approved by Arizona Department of Transportation (ADOT), owned by DEMA, or operated by ADOA. If an approved facility is not available, a vehicle operator then shall use a commercial gasoline station which accepts the Cards. Fueling facilities shall be used by employees and volunteers in this order:

**5.1.1 Metro-Phoenix and the Training Site Command**

1. ADOT fueling stations
2. Phoenix ADOA fueling stations
3. Commercial gasoline stations

**5.1.2 Camp Navajo and Northern Arizona**

Operators of alternative fuel vehicles shall use alternative fuel whenever available.

**5.2 Repairs and Maintenance**

Emergency roadside events over \$50.00 must be authorized by calling the Voyager Fleet Assistance number located on the back of the Card.

DEMA owned and ADOA leased vehicles may be washed and cleaned using the vehicle's assigned Card. When a vehicle is cleaned at a commercial carwash facility, the facility must be able to accept the Card by electronic means. Supervisor approval should be obtained whenever possible prior to using a commercial carwash.
